

1824

The Committee appointed on the 3^d to report
 on a one story building, have attended ^{to} that
 Subject, & are here to report — viz that
 with this report, they present a plan of a
 one story building — of the same ground dimen-
 sions — as the two story building which they
 presented at the last Town Meeting — and
 they find that a stone building of the above
 dimensions built with rough stone — with
 some dressed stone — as the Plan shows, will
 cost, Twenty eight Hundred Dollars — all
 which is respectfully submitted by the
 Committee — John Robinson Chairman
